Humble Beginnings

Unsure of his life's direction, a young Danny Thomas sought guidance from St. Jude Thaddeus, the patron saint of hopeless causes. If the saint would point to the path he should take, Danny vowed to build a shrine in his name. Success followed Danny's plea and soon after, the legendary entertainer set about fulfilling his vow to St. Jude. The result was St. Jude Children's Research Hospital.

"Show me my way in life and I will build you a shrine." -Danny Thomas' prayer to St. Jude Thaddeus

Your Support Matters

Families never receive a bill from St. Jude for treatment, travel, housing, or food.

Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to more than 80% since it opened more than 50 years ago.
